5. We made a decision as a church that we would be outwardly focused.

6. Jesus did not hang out with the church people, but instead he spent a lot of time with the sinners and outcasts. That offended the church people and made them angry at Jesus.

Read Luke 15:1-2. So Jesus told 3 stories to help explain the heart of God.

7. Read Luke 15:3-7. The heart of God is for the lost. That must always be the heart of the church, also. What does that mean to you?

8. Read Luke 15:8-10. How could they not see it? If a lost coin has that kind of value, how much more is a person worth who is far away from God? Discuss.

9. If you are familiar with the Parable of the Prodigal Son, tell it in your own words. If not, read Luke 15:11-32. What are Jesus' main points in this story?

10. The heart of God is to reach those who are far from Him with the good news that there is love and forgiveness for everyone in Jesus.
